Important Notes:

Red Denotes: No scoring Match Scheduled, Practice Match Scheduled or Range Closed. "Practice" means a full match will be shot but scores will not count to the Round.

Green Denotes: Normal discipline for that week has been changed but is still designated as a scoring Match or Practice (see above)

Matches Start 13.00 Saturdays & 15.30 Wednesdays allow 20 minutes prior and after for set up and pack down.

Competition Scores are calculated using EITHER Saturday or Wednesday Match, not both. If both are shot and scores submitted the 1st one only will count toward the competition.

Possible clashes with PSQ sanctioned matches at other QLD clubs are shown in the last column with the option remaining to shoot in one of our 2 weekly comps

Shooters competing in a PSQ sanctioned match on the same week as a club match can submit the score achieved at that event provided they are submitted by the Sunday night.

Presentation Dinners will be held in conjunction with ISSF Air Pistol competition presentations and a minimum of a certificate will be presented. BYO Plate food and Open cash bar.

A Handicap system will be introduced for all matches and details will be distributed separately

All competitors will be expected to share in the Range Officer (RO) duties from time to time, particularly Wednesdays

Veterans Shoot Wednesday afternoons and preliminary checking shows no clashes, however changes may have to be made on the day from time to time. eg see 13 04 16
